Orlando, FL - July 18 2011 – TechServ Inc. leased The Proposal Center, Orlando International Airport from Agility Defense & Government Services, Inc. The lease runs through September 2015. TechServ’s President, Carl Selfe established The Proposal Center, Orlando International Airport, in December 2005 and led it for Agility until April 30, 2010. TechServ is re-outfitting The Proposal Center to make it better than it was, and is offering the center and center services to government sector clients nationwide.
